

WELL-BEING ACTION COUNCIL (WBAC)--PENDING ACTIONS MATRIX

Issues from 17 June 2010

Green indicates action complete and will be removed before next WBAC. Red indicates working action.

ID DATE/ #	ISSUE	AGENCY/ ACTION OFFICER	ACTION	STATUS
100318-6	Working (instead of blinking) traffic light at the intersection of Rodman Road and Harford Blvd.	DPW	Would it be possible to get the traffic light working at the intersection of Rodman Road and Harford Blvd in the morning and during heavy traffic periods in the afternoon?	<p>100608: Decision is pending a larger review of future traffic flow through all of Aberdeen Area. ACTION ONGOING</p> <p>100510: Decision Brief is being prepared for Garrison Commander. ACTION ONGOING</p> <p>100414: This request is being reviewed. Existing equipment and systems will be checked and associated cost estimates will be evaluated to make this a working light. Implementation will depend on total cost. ACTION ONGOING</p>
100520-3	A resident suggested relocating MWR Sale Lot to a more visible area.	DPW Support: MWR		<p>100714: We assess that the current location is appropriate based on customer convenience and programmed land use throughout the installation. Thank you for your input. ACTION COMPLETE</p>
100520-11	A resident requested a sidewalk in the Plumb Point Loop area.	DPW	A running/biking track is part of a near future plan. At present, the environmental issues are being worked. This trail will go all the way around Plumb Point Loop, then it will tie into a trail on Aberdeen Blvd. Eventually, it will link into the other side to the parade field. DPW will get back with a timeline.	<p>100617: DPW addressed this issue at the Jun Well-Being Action Council Meeting providing maps of proposed running tracks. ACTION CLOSED</p> <p>100608: Sediment and Erosion Control (S&E) Plan has been approved. Awaiting Critical Area Commission (CAC) approval. Expect approval on or about 15 Jul. Construction will be o/a 26 Jul; completed end of Aug. Scheduled for completion end of Aug. Fitness trail which encompasses this area is expected to be in Aug. ACTION ONGOING</p>

100617-1	A resident said that a Family member went to the pool and showed his Dependant ID, but was told he had to pay \$5. There appears to be some confusion as to what the different colors of ID cards mean. This issue will be resolved.	FMWR		100620: Lifeguards are now familiar with military ID types. ACTION COMPLETE
101617-2	During Ms. Gross' presentation, COL Ortiz said that when you drive in the Rt 715 gate, there is a very noticeable rise on the steel barrier plates. Ms. Gross said she would see that it gets fixed.	TO		100630: The plates have been removed. ACTION COMPLETE
